**COUNCIL REGULATION (EU) No 667/2010****of 26 July 2010****concerning certain restrictive measures in respect of Eritrea**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union, and in particular Articles 215(1) and (2) thereof,

Having regard to Council Decision 2010/127/CFSP of 1 March 2010 concerning restrictive measures against Eritrea <sup>(1)</sup>, adopted in accordance with Chapter 2 of Title V of the Treaty on European Union,

Having regard to the joint proposal from the High Representative of the Union for Foreign Affairs and Security Policy and the Commission,

Whereas:

- (1) On 1 March 2010, the Council adopted Decision 2010/127/CFSP concerning restrictive measures against Eritrea and implementing United Nations Security Council Resolution (UNSCR) 1907 (2009). On 26 July 2010, the Council adopted Decision 2010/414/CFSP amending Decision 2010/127/CFSP in order to introduce a procedure for the amendment and the review of the list of persons and entities designated by the United Nations Security Council ('the Security Council') or by the relevant United Nations Sanctions Committee ('Sanctions Committee').
- (2) The restrictive measures against Eritrea include a prohibition on the provision of technical assistance, training, financial and other assistance relating to military activities, as well as a prohibition on the procurement or obtaining of such technical assistance, training, financial and other assistance from Eritrea.
- (3) Decision 2010/127/CFSP also provides for the inspection of certain cargoes to and from Eritrea and, in the case of aircraft and vessels, for the supply of additional pre-arrival and pre-departure information in respect of goods brought into or out of the Union. This information should be provided in accordance with the provisions on entry and exit summary declarations of Council Regulation (EEC) No 2913/1992 of 12 October 1992 establishing the Community Customs Code <sup>(2)</sup>.
- (4) Furthermore, Decision 2010/127/CFSP provides for financial restrictive measures against persons and entities designated by the Security Council or by the competent Sanctions Committee, as well as prohibitions on the supply, sale or transfer of weapons and military equipment to those designated persons and entities and on the provision of related assistance and services. These

restrictive measures should be imposed against individuals and entities, including but not limited to the Eritrean political and military leadership, governmental and parastatal entities and entities privately owned by Eritrean nationals living within or outside Eritrean territory, designated by the UN as violating the arms embargo established in UNSCR 1907 (2009), as providing support from Eritrea to armed opposition groups which aim to destabilise the region, as obstructing the implementation of UNSCR 1862 (2009) concerning Djibouti, as harbouring, financing, facilitating, supporting, organising, training or inciting individuals or groups to perpetrate acts of violence or terrorist acts against States other than Eritrea, or their citizens in the region, or as obstructing the investigations or work of the Monitoring Group established by the Security Council.

- (5) These measures fall within the scope of the Treaty on the Functioning of the European Union and, therefore, notably with a view to ensuring their uniform application by economic operators in all Member States, legislation at the level of the Union is necessary in order to implement them as far as the Union is concerned.
- (6) This Regulation respects the fundamental rights and observes the principles recognised in particular by the Charter of Fundamental Rights of the European Union and notably the right to an effective remedy and to a fair trial, the right to property and the right to protection of personal data. This Regulation should be applied in accordance with those rights and principles.
- (7) This Regulation also fully respects the obligations of Member States under the Charter of the United Nations and the legally binding nature of Security Council Resolutions.
- (8) The power to amend the list in Annex I to this Regulation should be exercised by the Council, in view of the specific threat to international peace and security in the region posed by the situation in Eritrea and in order to ensure consistency with the process for amending and reviewing the Annex to Decision 2010/127/CFSP.
- (9) The procedure for amending the list in Annex I to this Regulation should include a requirement to communicate to the designated natural or legal persons, entities or bodies the grounds for listing as provided by the Sanctions Committee, so as to give them an opportunity to present observations. Where observations are submitted, or substantial new evidence is presented, the Council should review its decision in light of those observations and inform the person, entity or body concerned accordingly.
- (10) For the implementation of this Regulation, and in order to create maximum legal certainty within the Union, the names and other relevant data concerning natural and legal persons, entities and bodies whose funds and economic resources must be frozen in accordance with the Regulation, should be made public. Any processing of personal data of natural persons under this Regulation should respect Regulation (EC) No 45/2001 of the European Parliament and of the Council of 18 December 2000 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on

- (11) Member States should determine the penalties applicable to infringements of the provisions of this Regulation. The penalties provided for should be proportionate, effective and dissuasive.
- (12) In order to ensure that the measures provided for in this Regulation are effective, this Regulation should enter into force immediately,
